RVE/ ACCTS/ 921 /2026-2027 Date: 28.09.2026

CIRCULAR: Higher Semester UG Students

This is to bring to the kind attention of all BE students of the 2nd year (3rd semester), 3rd year (5th semester), and 4th year (7th semester), as well as the respective Heads of Departments, that the last date for payment of fees, previously fixed as **25.09.2026**, has been extended up to **10.10.2026**. This extension is being provided as several students have not remitted their fees within the stipulated time to the prescribed bank accounts, as detailed in the earlier circular.

As fee payment is linked to various academic services, including the issuance of certificates, generation of hall tickets, and eligibility to appear for practical and theory examinations, all students are advised to clear their dues within the extended deadline to avoid any inconvenience or disruption to their academic activities.

This circular serves as a **gentle and final reminder** to all students to remit their fees **on or before 10.10.2026 without fail. No further extension will be granted.**

1. Instructions for Students Who Have Paid Through NEFT/RTGS

It has been observed that several students who have remitted their fees through NEFT/RTGS have not submitted their payment details to the Accounts Section for receipt generation. Further, in certain cases, the payment details furnished by students do not match the transactions reflected in the bank statement.

Accordingly, students who have paid their fees through NEFT/RTGS but whose receipts are not available in the SAP student portal are hereby instructed to contact the **Student Fee Section, Accounts Department**, with the relevant payment proof, including the UTR/reference number, transaction date, and amount paid, to facilitate verification and generation of the fee receipt.

Students whose fee receipts are already available in the SAP student portal may ignore this instruction.

2. Instructions for Students Whose Fees Have Been Paid Through Education Loans

Students whose education loan amounts have been disbursed directly by the bank to the college account are requested to check their SAP student portal for the fee receipt.

If the receipt is not available in the portal, such students shall contact the Student Fee Section, Accounts Department, and submit the relevant proof of disbursement issued by the bank to facilitate verification and generation of the fee receipt.

3. Important information to Heads of Departments

All Heads of Departments are requested to ensure that the higher-semester UG students of their respective departments remit their fees within the prescribed deadline.

After 10.10.2026, the respective departments shall submit the list of students who have not paid their fees to the undersigned. Such students shall not be permitted to attend classes, appear for examinations, or participate in any academic activities until all outstanding dues are cleared.

All concerned are requested to take note of the above and ensure strict compliance.
